5 PURCHASE ORDERS AND CONFIRMATION OF PURCHASE / PAYMENT CONDITIONS

The presentation of Products in the Web Shop is not a legally binding proposal, and only represents a non-binding online catalog. You do not place a binding order for the Products in the shopping cart until you click the "Please pay here" button on the order page. The confirmation of receipt for this order is immediately sent by automated e-mail and does not yet constitute acceptance of your order. We will then check your order and the availability of the ordered Products. A purchase contract between you and HL is only concluded when we send you a respective order confirmation by email.

The Products can only be purchased online by credit card.

6 RIGHT OF REVOCATION

HL grants you as a customer a voluntary fourteen (14)-days right of revocation. You are entitled to revoke the purchase of your Product without stating reasons within fourteen (14) days after receipt of the Product by email or by letter. The revocation in text form is to be addressed to:

HEALTHY-LONGER GmbH
c/o Roland Pfeuti
Querstrasse 7
8050 Zürich
info@healthy-longer.com

The exercise of the right of revocation leads to the conversion of the purchase contract into a return relationship, after which the services received under the purchase contract must be refunded. In case of revocation, please send us the Products immediately, at your own costs, with the original packaging no later than ten (14) days upon your declaration of revocation to the following address:

Please note that we do not grant a right of revocation for opened or damaged Products. HL will refund the purchase price within thirty (30) days upon receipt of the returned, unopened, and undamaged Products.

If there is no right of revocation, you must bear the costs of a return and reshipment. For all other defects of the Products, which are non-transparent damages, the legal warranty rules apply. Instead of demanding rescission or reduction, you will instead enable HL to promptly replace defective Products with defect-free ones.

12 FINAL PROVISIONS

If any provision of these GTC should be invalid or unenforceable under applicable laws, the relevant provision shall be ineffective only to the extent of such unenforceability or invalidity, and the remaining provisions of the Agreement shall constitute to be binding and in full force and effect. Instead of the invalid or unenforceable provision, a rule shall apply that achieves as closely as possible the initial intention of the Parties drafting the invalid or unenforceable provision.

Any amendments of or to this GTC (including amendments of this Section) are valid only if made in writing. HL has however the right to amend this GTC from time to time.

Rights and obligations arising from these GTC shall be governed by substantive Swiss law to the exclusion of the UN Convention on Contracts for the International Sale of Goods (CISG).
